Dave Ming Chang (Eddie Murphy), newly arrived in New York City, may be the ultimate fish out of water. There's something about him that's not quite right – for starters, he seems remarkably out of place and uncomfortable in his own body. And for good reason: "Dave" is not a man at all, but a ship made in the image of its miniature-sized captain. It's Eddie Murphy *in* Eddie Murphy in MEET DAVE.

Mulder continues his unshakable quest for the truth, and Scully, the passionate, ferociously intelligent physician, remains inextricably tied to Mulder's pursuits.

When, in a rare lucid moment, Ida reveals that she has withheld the shocking truth of his father's identity, Victor enlists the
